Annual Inactive Tap Fees are administered as a monthly charge of \$13.50 or \$27.00.

10. Tap Transfer Fee, (Sec. 2.3.6)

\$50.00 per occurrence. Manual read fee will apply if needed.

11. Turn Off Fee (Sec. 2.3.3, 2.3.4 and 4.2.4)

\$50.00 per occurrence.

12. Turn On Fee (Sec. 2.3.3, 2.3.4 and 4.2.4)

\$50.00 per occurrence.

13. Right of Entry, Safe Passage and Meter Access (Sec. 3.2.3 and 3.2.4)

\$20.00 per occurrence, doubled for each additional infraction for failure to allow Right of Entry and Safe Passage.

\$20.00 per occurrence, doubled for each additional infraction for failure to allow Meter Access.

14. Meter Tampering Fee (Sec. 6.1)

\$200.00 per occurrence plus additional charges for repairs.

15. Reassignment Fee, (Sec. 2.3.5)

\$15,000.00 (All taps on and after 9/1/17). Prior to 9/1/17 Active taps - \$5,000.00 Residential and \$10,000.00 Commercial

16. Meter Replacement, Meter Test Fee Deposit, Endpoints and Eye On Water (Sec. 3.2.5)

1. \$250 per installation for Register and Endpoint. \$350 per installation for Meter, Register and Endpoint (Standard).
2. \$375 per installation and set-up for Beacon/Eye on Water and \$1.00 per month. Removal and replacement (back to Standard) \$400
3. Actual cost for non-standard size Meter, Register and Endpoint plus \$200.00.
4. \$600 deposit per meter test, includes meter replacement; credited to billing account if meter is found to be faulty.

17. Service Orders including Meter Usage Profiles, Inspections, Manual Read Fees (Sec. 2.3, 4.2.8, 5.3)

- a. Service Orders: Actual Direct Cost with a minimum charge of \$50.00 per Trip. Estimated at \$100 per hour and up, depending on work needed. Service orders include, but are not limited to locates, turn-offs, turn-ons, call-outs, special reads, site visits or inspections, meter tampers, emergency call-outs for leaks, and oversight of repairs and leaks; regardless of whether the customer directly authorized the work, if it was in response to a perceived problem. Actual Direct costs include such items as parts, engineering, use of contractors or consultants, locate service, permits or fees.
- b. Manual or Special Reads: \$50 per trip, as needed. Manual read is for a meter read that occurs on a different day than the regular billing cycle reading or if a meter must be read manually by staff.
- c. Inspection Fees: Inspections needed for new connections, disconnections and other work being performed which effects the public water supply or pipelines. Minimum Charge of \$250.00 per trip or Actual Direct Costs, whichever is higher.
- d. Meter Usage Profiles: Minimum Charge \$50 per Trip. A type of service order which requires staff, software and equipment to acquire data from the "smart meter". Requires an appointment to access the meter if interior or otherwise inaccessible.

A Service Order shall be issued for all of the above reasons and a minimum charge of \$50 applies and will be billed when issued. Actual costs to be billed within 90 days from date of occurrence. All charges to be billed to customer account and due according to regular billing policies.

18. Unauthorized Connections (Sections 2.2, 2.2.1, 2.1.3, 3.2, 6.2)

Applies to unauthorized connections and connections to dwellings that are not in compliance with policy. Every active tap is required to have a single meter to be in compliance. On a case by case basis, the Board shall review the violation and assess fees and charges to ensure compliance. Recovery of cost of water should be considered. Once a compliance notice is served and remedy period has expired, \$1,000 per day for non-compliance.

19. Hydrant Use (or Other Water) Permit Fee, Deposit and Unauthorized Use Penalty (Sec. 7.3.1)

Note: Permits currently not available.

\$75.00 Application Fee

\$200.00 deposit to be applied to billed charges as specified in the Permit.

\$500.00 penalty for unauthorized hydrant or water use, doubled for each additional infraction.

20. Hydrant Installation Permit Fees (Sec. 7.3.2)

\$500.00 fee to be submitted with application to install a new or replacement hydrant. If permit is granted, no additional inspection fees shall apply. Engineering fees are additional, if applicable.
\$1,000 fee for installing hydrant without a permit.

21. Cross-Connection Fees (Sec. 5.3.5)

\$75.00 Inspection Fee (Sec.5.3.5.1)
\$150.00 for Failure to Submit Backflow Test Results Fee, per occurrence (Sec.5.3.5.2)

22. Violation of Rules and Regulations on Lookout Mountain Water District Property

\$100.00 per occurrence.

23. Enforcement of Covenants in The Ridges at Lookout Mountain (Sec 1.5.2)

\$150.00 Inspection Fee, per Inspection.
\$15.00 per month for non-compliance.

24. Lateral Non-compliance Fee for Annual Registration (Sec 5.2.1)

Due annually, January 31st of each year. \$300 per year for non-compliance.

25. Violations and Enforcement of Rules and Regulations, various (Sec. 1.4.1)

Prohibition, Penalties, and Charges:

Late payment delinquency penalty (regular charges and special project cost reimbursements)	Maximum allowed by law
Lien filing	\$100.00
Lien release	\$100.00
Unauthorized connection or disconnection penalty	\$1,000.00 per day of non-compliance
Violation of cross-connection and back-flow control regulations	\$100.00 per day of non-compliance
Installation of unauthorized water consuming devices (Meter tampering fee may still apply)	\$100.00 per day of non-compliance
All other violations of District Policies, Rules and Regulations	\$25.00 per day of non-compliance

26. Monthly Billing Cycle (Sec 4.1)

The billing cycle will normally follow these dates each month:

- Meter Reading shall occur during the 23rd through the 27th of the month
- Billing Date: Last day of the month; (Bills should be received on or before the 5th of the month)
- Payment Due Date: 20th (or previous business day, regardless of postmark)
- Late Fees Apply: after the 20th of the month
- Pre-shut off notices: (friendly reminder); 21st through the 25th of the month
- Cut-off Notices: (Shut-off): 26th through the 29th with deadline date in notice – (Customer given 5 to 7 business days before deadline)
- Cut-offs (Shut-off) will occur after deadline date

27. E-Commerce Processing Fees

From time to time the District may analyze the cost of payment processing fees (so-called “convenience fees”) charged by banks and other electronic payment processors for the use of e-checks, ACH, or credit cards. These costs are variable and often dependent on volume. Care will be taken to allocate and share costs for these convenience fees so as not to overly burden users and non-users for these costs. Processing fees will be disclosed in advance of each transaction, as much as practical. At no time should the fee exceed 4.0% of each transaction. Suggested fee: \$0.75 per transaction except for batch ACH.

28. Colorado Open Records Request (Charges)

For the research, location, and retrieval of documents, there will be a \$30.00 per hour charge, with the first hour at no charge.

Copies in standard size and format will be charged at the rate of \$.25 per page. Copies for a format other than a standard page (such as photographs, large maps, printouts) will be charged at the actual cost of production.

A DEPOSIT IN THE AMOUNT OF \$_____ FOR THE ABOVE CHARGES SHALL ACCOMPANY THIS FORM. YOUR REQUEST SHALL NOT BE CONSIDERED RECEIVED UNTIL BOTH FORM AND DEPOSIT HAVE BEEN SUBMITTED.
